

## Habitat for Humanity of Huron Valley Current Home Improvement Programs 11/12/2020

To be eligible for all programs, your household must

- Meet the income guidelines (below) or have a COVID-related financial hardship (layoff, furlough, unemployed, under-employed.)
- Have DTE residential service
- Meet additional requirement for each program (visit our website to learn more)
- Visit our website to complete a short online application or print an application
- All programs are FREE

### Questions or need more info?

Contact us at [ref@h4h.org](mailto:ref@h4h.org) or call 734-358-8100.

#### INCOME ELIGIBILITY

Household Size	1	2	3	4	5	6	7	8
Annual Income	\$54,950	\$62,800	\$70,650	\$78,500	\$84,800	\$91,100	\$97,350	\$103,650

### Homeowners & Renters Eligible

**Refrigerator Replacement Program :** [www.habitatrefrigerator.org](http://www.habitatrefrigerator.org)

You may qualify for a new Energy Star refrigerator to be delivered to your home at no cost! In addition to the above qualifications...

1. Your existing refrigerator must have been manufactured before January 2014
2. You must agree to have your old refrigerator removed by one of our Retail Partners and replaced with an Energy Star refrigerator

**LED Lightbulb Program :** [www.habitatlightbulb.org](http://www.habitatlightbulb.org)

You may qualify to receive up to 20 energy-efficient, LED light bulbs, which help save up to 75% in energy costs compared to incandescent bulbs. In addition to the above qualifications...

1. You must live in a single-family home

### Homeowners Eligible

**Furnace Test & Tune Program :** [www.habitatfurnace.org](http://www.habitatfurnace.org)

You may qualify for a free tune-up of your furnace and free installation of energy saving measures. If your furnace is unsafe or un-repairable, you may qualify for a replacement furnace at a significantly reduced cost. In addition to the above qualifications...

1. You must own your single-family home (rental homes, condos and multiple-residence structures are not eligible)
2. You must use DTE for BOTH your gas and electric services
3. You cannot have had a furnace tune up through the DTE program in the last two years
4. You must have a forced air furnace in your home (boilers are not eligible)
